Germany, directly at the motorway A7/23

TREND IM NORDEN 2011 –

Your New Date in Spring!

Our exhibitors and visitors seeked for a new exhibition schedule with distance from other trade shows at the beginning of the year. So we decided to postpone the date to 19th - 20th March.

With our new TREND-Date you have the opportunity to order your watches and jewellery collections before easter and the beginning of the tourist season. Thus you can look and order in a relaxed atmosphere.

Join the TREND IM NORDEN and stimulate the spring business with us.

With best regards

Exhibitors:

manufacturers, wholesalers, importers, sale representatives, service providers from Germany and abroad as well as publishers

Product range:

watches, jewels, gold and silver, jewellery, wedding rings, stainless steel and precious gem jewellery, design jewellery, diamonds, emeralds, rubies, sapphires, amber, corals, cameos, cultured pearls, semi-finished goods, fittings, security, publishers
